TOWN COUNCIL AGENDA REPORT

TO: Mayor and Councilmembers

FROM/PHONE: Mark A. Kutney, AICP, Development Services Director/ (954) 797-1101

PREPARED BY: Christopher M. Gratz, Planner II

SUBJECT: Quasi Judicial Hearing: Ordinance 1st Reading, VA 6-1-04 Young & Lawson/Michele Mellgren & Associates, 4900 South University Drive/Generally located at the 4900 block of SW 78 Avenue.

AFFECTED DISTRICT: District 2

TITLE OF AGENDA ITEM: AN ORDINANCE OF THE TOWN OF DAVIE, FLORIDA, APPROVING VACATION PETITION VA 6-1-04, VACATING A PORTION OF RIGHT-OF-WAY FOR SW 78 AVENUE WITHIN SECTION 33, TOWNSHIP 50 SOUTH, RANGE 41 EAST; PROVIDING FOR SEVERABILITY; AND PROVIDING FOR AN EFFECTIVE DATE.

REPORT IN BRIEF: The request is to vacate 6,398 square feet (0.147 acres) of right-of-way for SW 78 Avenue within Section 33, Township 50 South, Range 41 East; located at the 4900 block of SW 78 Avenue, approximately 1,400' south of Griffin Road. This right-of-way lies between two (2) parcels, zoned A-1, Agricultural District, which are being used as one plant nursery, Florida Nursery Mart. South of this plant nursery the right-of-way for SW 78 Avenue was vacated when the property was platted, and subsequently Southwood Townhomes was constructed on the site.

The right-of-way that been requested to be vacated does not provide access to any neighboring properties, nor does it serve any public purpose. The applicant has provided an exhibit showing that a "T-Turnaround" area will be provided to the north of the site within the right-of-way which will allow vehicles to turnaround at the end of this dead end street. Prior to filing the request, the applicant was required to contact all utility providers to obtain written authorization from them that there is no objection to this vacation. No providers objected, however, Florida Power and Light requests that a 10' easement be provided for an overhead pole line that exists. There are no recreation or equestrian trails that can be connected to, and the Central Broward Water Control District has stated that the parcel is not needed for drainage. Staff has no objection to this vacation of right-of-way request.

PREVIOUS ACTIONS: None

CONCURRENCES: At the October 27, 2004, Planning and Zoning Board meeting, Mr. McLaughlin made a motion, seconded by Vice-Chair Turin, to deny. (Motion carried 3-1 with Mr. Stevens being opposed. Ms. Lee abstained.) Chair Bender stated that he was not in the habit of giving public property away. Mr. McLaughlin indicated that he was not in favor of "hammerhead" turns and was in favor of having it platted, having a proper cul-de-sac, and then going from there. He mentioned that the nursery had been making use of the road with

deliveries of stones and mulch and didn't believe this had been correct. He added that fencing, if installed, should be kept to the applicant's property.

FISCAL IMPACT: None

RECOMMENDATION(S): Staff finds the subject application complete and suitable for transmittal to Town Council for further consideration.

Attachment(s): Ordinance, Planning Report, Future Land Use Plan Map, Zoning and Aerial Map, Justification, Survey, T-Turnaround/FPL Easement

Comprehensive Plan Considerations

Planning Area: The subject property falls within Planning Area 10. This Planning Area is generally located north of Stirling Road, south of Griffin Road, east of Pine Island Road, and west of SW 76 Avenue. Pine Island Road, a major north/south arterial, on the western limits of this planning area provides through access from Griffin Road to Stirling Road. Commercial development of retail centers and office buildings line the University Drive corridor. The east side of this corridor is predominantly small-scale commercial development, with multi-family residential development and plant nurseries on the northern half of the corridor, and commerce park development and cattle grazing on commerce park-zoned lands on the southern half. Commercial development also exists along Griffin Road within this planning area. Several small-scale single-family residential communities, two trailer parks totaling approximately 30 acres in area, and an 8 acre industrial park are located within this planning area, together with six parcels zoned for community facilities uses.

Broward County Land Use Plan: The subject site falls within Flexibility Zone 102.

Applicable Goals, Objectives & Policies: *Future Land Use Plan, Policy Group 15: Transportation Use and Access:* Ensure that adequate rights-of-way are secured to accommodate the existing and future needs of the Town of Davie.

Application Details

The request is to vacate 6,398 square feet (0.147 acres) of right-of-way for SW 78 Avenue within Section 33, Township 50 South, Range 41 East; located at the 4900 block of SW 78 Avenue, approximately 1,400' south of Griffin Road. This right-of-way lies between two (2) parcels, zoned A-1, Agricultural District, which are being used as one plant nursery, Florida Nursery Mart. South of this plant nursery the right-of-way for SW 78 Avenue was vacated when the property was platted, and subsequently Southwood Townhomes was constructed on the site.

Staff Analysis

The right-of-way that been requested to be vacated does not provide access to any neighboring properties, nor does it serve any public purpose. There are no rights-of-way existing or proposed east or west of this right-of-way to connect to. The applicant has provided an exhibit showing that a "T-Turnaround" area will be provided to the north of the site within the right-of-way which will allow vehicles to turnaround at the end of this dead end street. Prior to filing the request, the applicant was required to contact all utility providers to obtain written authorization from them that there is no objection to this vacation. No providers objected, however, Florida Power and Light requests that a 10' easement be provided for an overhead pole line that exists. There are no recreation or equestrian trails that can be connected to, and

the Central Broward Water Control District has stated that the parcel is not needed for drainage. Staff has no objection to this vacation of right-of-way request.

Findings of Fact

Rezoning:

Section 12-310(A) (1):

The following findings of facts apply to the vacation request:

- (a) It will not adversely affect access to neighboring properties

No access to neighboring properties is provided by this right-of-way.

- (b) It will not be in conflict with the public interest

This right-of-way serves no public interest. There are no recreation and equestrian trails nearby, and the parcel is not needed for drainage.

Staff Recommendation

Staff finds the subject application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration.

To Whom It May Concern:

My name is Stephen Young. Christopher Lawson, my uncle, and myself own 2 parcels of land in Davie. Each parcel is approximately 1 acre. Since purchasing the property in the early 80's, we have operated a plant nursery on the property. The 2 parcels have functioned as 1 parcel, as they are side by side, separated only by the last section of SW 78th Avenue, a dead-end road that runs right through the middle of our nursery and terminates at the south end of our property. SW 78th Ave will never continue south past our property because the South Wood Town homes development abuts our south property line, and has access directly from University Dr. Since the portion of the road through our property no longer serves any public purpose, we are requesting that this last portion of SW 78th Ave be vacated from the Town of Davie. Thank you for your consideration.
